

Locations for Covid-19 Testing

Updated July 23, 2020

These locations will see any patient for any reason for a COVID-19 test, including 'return to work' letters, travel, and people without symptoms or exposure.

Testing locations, time, and availability change frequently. Call before visiting to confirm that the testing site is open and that they are testing for your situation.

(King County) University of Washington Mobile Clinic:

Call ahead to pre schedule a test if desired. No appointment necessary.

This is drive up testing, open to anyone.
